ELEMENTARY AFTER SCHOOL PROGRAMS

"Drop-In" Recreation Program: **Scottsdale's After School Programs provide school-age children with a caring, enriching and safe afterschool environment. Recreation staff provides structured recreational and educational activities daily. Scottsdale Recreation professionals adhere to ethical conduct by upholding basic principles of trust, honesty, integrity, and respect. Participant's "safety" is our afterschool program's 1st priority! Recreation staff is regularly trained on a variety of key subjects, which provide a positive foundation for our After School Programs.** Recreation Leaders at each site conduct activities including tournaments, arts & crafts, games, special guest speakers and events, drama, sports and fitness related activities for Scottsdale's youth. All after-school programs are drop-in, which means the youth are permitted to come and go as they wish. Attendance is taken at the start of the program each day. During most program days, participants may arrive at any time after the program begins and they may depart at any time without signing in or out.

Who can register: Scottsdale residents whose youth are attending Elementary School, Grades 1-6. (Children must be at least 6 years old by September 1st, 2006, and in the first grade.)
